**Bob**

Do you think we are done with the document?

**Jill**

I just saw some spelling mistakes.

**Bob**

Can you correct them and I will have another look of the data?

The diagram illustrates a chat application interface. It consists of a main chat area with a blue background. At the top left, there is a red square button with a white 'X' icon. The chat area contains three messages: a white bubble from Bob asking "Do you think we are done with the document?", a blue bubble from Jill replying "I just saw some spelling mistakes.", and another white bubble from Bob asking "Can you correct them and I will have another look of the data?". Below the chat area is a text input field labeled "enter message" and a "Send" button. At the bottom, there is a user list section with a dropdown menu showing "Group 1" and a list of users: "USER: Jill" (green), "Kevin" (red), and "Bob" (green).
